TO: **Eligible Certificated and Classified Employees:**

Stockton Unified School District announced on March 25, 2010 that it was pleased to offer a Supplemental Retirement Plan (SRP). This plan is being offered to all eligible Certificated and Classified employees for the 2009-10 school year.

We **strongly** encourage all employees who may be considering utilizing this benefit to contact their retirement agency, either CALPERS or CALSTRS, directly to get an estimate of your retirement benefit based on all of your personal information. For both CALPERS and CALSTRS there is a complex, detailed calculation that is used to determine your benefits. Therefore, to get the most accurate estimate of your retirement benefits, your retirement agency must perform the calculation.

Neither Stockton Unified, nor PARS, has the expertise to make any recommendations or calculations regarding your personal PERS or STRS retirement benefits. Again, it is **highly** recommended that you considered all the factors of your retirement and contact your retirement agency directly to get an accurate estimate of your monthly retirement benefit amount. This will provide you with the additional information necessary to make an informed decision.

If you are a CALPERS member this information can be obtained by calling 1 (888) 225-7377 or you can go online at [www.calpers.ca.gov](http://www.calpers.ca.gov)

If you are a CALSTRS member this information can be obtained by calling 1 (800) 228-5453 or you can go online at [www.CALSTRS.com](http://www.CALSTRS.com)

Sincerely,

Tammy Reynolds  
Payroll Manager
