To: Stockton Unified School District Employees

The Labor/Management Health Benefits Committee met on December 17, 2009. In reviewing the transition of our Medical Plans to CalPERS, there are a few helpful tips and reminders which the committee would like to share with all employees.

1. If you have questions or concerns about your coverage or how to best use your Medical Plan, please call the Customer Service Department for your Medical Carrier first. The contact numbers for each carrier are listed below

Kaiser: (800) 464-4000

Blue Shield: (800) 334-5847

Anthem/Blue Cross PPO's: (877) 737-7776

If you have further questions or concerns, please contact Risk Management immediately at 933-7110, ext 2540, 2570, or "0".

2. Your Medical Plans offer extensive Wellness and Disease Management programs. If you have not done so already, we urge you to contact your Carriers about enrolling in these benefits as soon as possible.
3. Please remember that your January 30th paycheck will reflect the 2010 medical rates. These rates will remain constant for the remainder of the calendar year. These rates are the same rates that were previously mailed as part of the open enrollment packets. Should you have any questions, please contact Risk Management.

Watch for future communications from the Labor/ Management Health Benefits Committee regarding your health benefits.

Sincerely,

Wayne Martin, Co-Chair
