Each February SUSD holds its Science Fair at Weberstown Mall. In pairs, judges from throughout the SUSD community award prizes to any student that completes a science fair project. This year, our 5th Annual Science Fair will again be held at Weberstown Mall. We are seeking local community members to volunteer as judges (no science background needed) or as sponsors to help make this event the best yet. If you are interested in participating as a judge or sponsor please contact:
