Stockton Early College Academy Apportionment Funding General Waiver Request to the State Board of Education

PURPOSE: The Stockton Unified School District will conduct a public hearing in connection with the request for Approval of the Stockton Early College Academy Apportionment Funding General Waiver Request to the State Board of Education. On October 25, 2011, the Governing Board approved a General Waiver Request form to If seek relief from the State Board of Education for failing to give this test. If the waiver request is granted, the school will be given an API score.

By adopting this agenda item, the Governing Board approves a second waiver that will allow Stockton Early College Academy (SECA) to continue to receive apportionment funding if the first waiver is denied.

At the hearing, the testimony of all interested persons or taxpayers for or against the waiver will be heard.
