**STUDENT SUPPORT SERVICES DEPARTMENT**

**Student Support Services Celebrated National School Counseling Week on February 6-10**

Students, parents, staff, and community members, please join us in celebrating “National School Counseling Week.” School counselors work with students to remove barriers to learning by addressing students’ academic concerns, personal/social skills and career awareness in post-secondary options. The SUSD comprehensive school counseling programs help to increase student achievement and provide a much needed resource for students, parents, teachers and administrators. School counselors are integral to student success. We want to thank all of our counselors for their hard work and assistance provided to the students and families of SUSD!

**CHILD WELFARE AND ATTENDANCE DEPARTMENT**

The Families in Transition office is working with District grant writers on a renewal application for McKinney-Vento funding. The McKinney-Vento Act is the primary piece of federal legislation dealing with the educational needs of children and youth experiencing homelessness in public schools. This year, more than 500 children in SUSD are receiving services through our Families in Transition office. Services include providing school supplies, school uniforms, shoes, basic hygiene necessities, and when appropriate, assistance with transportation and any other assistance necessary to reduce barriers to school attendance.

**Western Regional Conference on LGBTQIA at University of the Pacific on February 24-26**

UC Merced and the University of the Pacific have partnered to co-host the Lesbian, Gay, Bisexual, Transsexual/Transgender, Questioning, Intersex, and Allies Western Regional Conference on February 24-26. Pacific has invited our high school students and staff to participate in the conference in addition to the college students from California and Oregon who will be participating. There is limited space and pre-registration is recommended. You can register online at [www.comeoutwest.org](http://www.comeoutwest.org). Registrations received before February 13 will be \$40 per person and after February 13, if space is available the cost is \$50. The conference will feature several speakers, educational sessions designed to enhance interpersonal and social development, networking to cultivate friendships and community, and opportunities to strengthen identity and pride and become active leaders. **FACILITIES PLANNING:**

**Franklin High School Master Plan – Measure Q**

As previously reported, Phase I and Phase IIA which include the infrastructure, parking lot, Infant Center, and the construction of Building B with the new administration center has been completed. Building B has been occupied and students and staff appear to be enjoying their new learning environment. Phase IIB of the master plan began with the demolition of the existing building C built circa 1977. We are happy to report that the work for the new building C is well underway and yesterday the first piece of structural steel was erected. We look forward to the completion and occupation of this building towards the end of the year.

**CESAR CHAVEZ HIGH SCHOOL (CCHS)**

As a reward to the juniors and seniors who had previously passed the California High School Exit Exam, staff and students at Chavez High School welcomed more than 50 presenters from the military, college and career, on February 7 and 8. Students were treated to 146 workshops on everything from the Coast Guard and Army, workplace skills, to dentistry and the sheriffs. Students enjoyed assemblies where our very own drama group presented snippets from their upcoming performance of Grease, songs by Jazz Band and a medley of Dancing in the Streets, *Oh Happy Day* and *Glory (Glory)* performed by our Choir. Presenters, students and staff enjoyed both days and are looking forward to the next great Chavez day.

CCHS Drum line won second place at the Folsom competition. In addition, the CCHS Jazz band was in the top 20 out of 66 total bands, and our Jazz Combo was awarded all superior ratings.
